

SENATE CONCURRENT RESOLUTION 13

A Concurrent Resolution relating to the board of regents ten-year building program.

WHEREAS, pursuant to section 262A.3, the state board of regents prepared and within seven days after the convening of the Seventieth General Assembly of the State of Iowa, First Session, submitted to the Seventieth General Assembly, First Session, for approval the proposed ten-year building program for each institution of higher learning under the jurisdiction of the board, containing a list of the buildings and facilities which the board deems necessary to further the educational objectives of the institutions, together with an estimate of the cost of each of the buildings and facilities and an estimate of the maximum amount of bonds which the board expects to issue under chapter 262A for each year of the fiscal biennium beginning July 1, 1983, and ending June 30, 1985; and

WHEREAS, the projects contained in the building program are deemed necessary for the proper performance of the instructional, research, and service functions of the institutions; and

WHEREAS, section 262A.4 provides that the state board of regents, after authorization by a constitutional majority of each house of the general assembly and approval by the governor, may undertake and carry out at the institutions of higher learning under the jurisdiction of the board any project as defined in chapter 262A; and

WHEREAS, chapter 262A authorizes the state board of regents to borrow money and to issue and sell negotiable revenue bonds to pay all or any part of the cost of carrying out projects at any institution payable solely from and secured by an irrevocable pledge of a sufficient portion of the student fees and charges and institutional income received by the particular institution; and

WHEREAS, to further the educational objectives of the institutions, the state board of regents requests authorization to undertake and carry out certain projects at this time and to finance their cost by borrowing money and issuing negotiable bonds under chapter 262A in a total amount not to exceed sixty-three million seven hundred eighty thousand (63,780,000) dollars, the remaining cost of the projects to be financed by capital appropriations or by federal or other funds lawfully available; NOW THEREFORE,

BE IT RESOLVED BY THE SENATE, THE HOUSE CONCURRING, That the proposed ten-year building program submitted by the state board of regents for each institution of higher learning under its jurisdiction, including the estimate of the maximum amount of bonds which the board expects to issue under chapter 262A during the biennium which commences July 1, 1983, and ends June 30, 1985, is approved as follows:
